sleeping dogs definitive edition law enforcer pack. sleeping dogs law enforcer pack

!!!!!!!!!!!!!!!

. It's a nice pack, really good infact. But why I'm I down voting this?

Simple, it should have been in the game in the first place, I can drive a Cop car in the game already, pay up and you can have one in your garage! Besides it's not as good as the other ACTUAL DLC cars.. Sleeping Dogs: Law Enforcer Pack is DLC for Sleeping Dogs which unlocks a few additional vehicles and outfits for Wei Shen to use in the course of the game. Some of the outfits have some buffs for the game, and the cars are solid, but otherwise it's mostly a cosmetic upgrade. Only pick it up if you can get it for cheap, otherwise it's not really worth the extra expense.
